Non-members, this \$20 difference can be applied toward your Membership Dues should you wish to join SEAONC. Dues are pro-rated based on when you join SEAONC.

_____	CURRENT SEAONC/OES Volunteer (Phone Tree Member)	\$75	
_____	SEAOC/SEAONC member	\$135	
_____	Non-member	\$155	
_____	Late Registration (for all registrations after October 13, 2006)	Add \$25	
			TOTAL ENCLOSED:

DESCRIPTION AND PURPOSE

The purpose of the ATC-20 program is to provide guidelines and procedures for the postearthquake evaluation of buildings. ATC-20 was developed in 1987 and SEAONC's Disaster Emergency Services Committee has sponsored trainings on a regular basis (typically every other year) since then. The training program has evolved and improved over time and currently enjoys a reputation for excellence. Past participants have particularly commented on the value of the afternoon case studies lead by SEAONC members with postearthquake safety evaluation experience.

Attendees who are licensed professionals (Architectural, Civil, Structural, or Geotechnical) may apply for and obtain Disaster Service Worker identification cards issued by the Governor's Office of Emergency Services. Attendees receive a workshop proceedings

binder. A limited number of ATC-20 Documents will be available for sale to those attendees who do not already have them at cost.

We are very excited about the location for this year's training. The Clark Kerr Campus is an ideal facility. It has a large conference center and numerous smaller rooms for breakout sessions. It is conveniently located near UC, Berkeley. The buildings around the marching grounds will present excellent opportunities for damaged building mock-ups.

Breakfast and lunch will be provided. Parking will be available in the Southwest Parking Lot near the conference center. Parking may also be available in the surrounding neighborhood.

DIRECTIONS TO THE CLARK KERR CAMPUS

Westbound from Highway 24:

1. Exit at Berkeley / Tunnel Road and continue West on Tunnel Road, which becomes Ashby Avenue.
2. Just past the Claremont Hotel, turn right on Claremont Avenue and make an immediate left onto Claremont Boulevard.
3. Continue on Claremont Boulevard, which becomes Belrose Avenue and then Derby Street as it turns left.
4. At the next stop sign, turn right onto Warring Street (the Clark Kerr Campus is on your right.)
5. Continue one-half block and turn right into the Southwest Parking Lot.

Westbound from Highway 13:

1. Continue West on Highway 13, which becomes Tunnel Road at the first stoplight.
2. Follow directions 2-5 for "Westbound from Highway 24."

Eastbound from Highway 24:

1. Exit at 51st Street and Telegraph Avenue.
2. Turn right and proceed East on 51st street for two blocks.
3. Turn left onto Telegraph Avenue for approx. 1½ miles.
4. Turn right onto Dwight Way.
5. At the second stoplight, turn right onto Warring St. (Left is Piedmont

– Avenue.) Clark Kerr Campus is on the left at 2601 Warring Street.

6. Continue past the main horseshoe-shaped driveway to the next entrance for the Southwest Parking Lot.

Northbound from Highway 80:

1. Exit right onto Ashby Avenue.
2. Turn left onto Telegraph Avenue.
3. Follow directions 4-6 for "Eastbound from Highway 24."

Southbound from Highway 80:

1. Exit right onto University Avenue.
2. Follow University Avenue East for approximately two miles to Oxford Street.
3. Turn right onto Oxford Street which becomes Fulton Street.
4. Turn left onto Dwight Way and proceed East for approximately 1 mile.
5. Turn right onto Warring Street (Left is Piedmont Ave.)
6. Follow directions 5-6 for "Eastbound from Highway 24."

Highway 580:

1. Exit to Highway 24 East, Walnut Creek / Berkeley.
2. Follow directions for "Eastbound from Highway 24."
